Dear School Age Families

We are excited that you are interested in BCCC for your child's before and after school care.

If you are registering a child that is **currently enrolled** you will only need to submit three forms, "Application for Enrollment", "School Age Contract", & "Authorization Form" along with a \$40 reservation fee. If your child has updated any immunizations throughout the past year, please submit a new immunization form or the record from your clinic.

If your **child has not attended** BCCC previously, include the \$40 reservation fee plus a \$60 registration fee- this can be one check- along with a completed enrollment packet. Packets must be complete, including the Health Care Summary and Immunizations. Incomplete packets will not hold a spot for your child.

**Explanation of Fees:**

Registration Fee is a \$60 non-refundable fee for new children.

Reservation Fee is a \$40 fee per child. This reservation fee will be credited to October's tuition if there is no termination or change of any requested care, per confirmed contract, between June 1 and October 1. If termination or change occurs between June 1 and October 1 this reservation fee will be retained by BCCC.

**New Families:** Here is a complete list of forms to include when you submit your paperwork:

- Application for Enrollment
- School Age Contract
- BCCC New Child Information
- Health Information, filled out by parents/guardians
- Authorization Form
- BCCC Allergy Policy-Acknowledgement
- Health Care Summary filled out by your Health Care Source or the form the clinic uses. - Immunization Record, our form or a form generated by your clinic
- If your child has an IEP, allergies, or other special needs, please notify the office. You and your child's doctor will have additional forms to submit.

We will enroll children based on these criteria: The order in which we receive completed paperwork: currently enrolled families, previously enrolled families, new families.

## Authorization Form

Please read the following descriptions and check the appropriate boxes for which you grant permission.

- Emergency Care:** I give permission to BCCC staff to make whatever emergency (ex. First aid, disaster, evacuation) measures are judged necessary for the care & protection of my child while under the supervision of BCCC. In case of emergency, I understand that my child will be transported to an appropriate medical facility by the local emergency unit for treatment if the local emergency resource deems it necessary. The child will be transported at the expense of the family. It is understood that in some medical situations, staff may need to contact the local emergency resource before the parent, child's physician, and/or other adult acting on the child's behalf is contacted.
- Nurse/Health Consultant:** I understand that BCCC nurse/health consultant has access to my child's file during center visits.
- Diffuse Essential Oils:** I give permission for my child to be in a room that uses an essential oil diffuser.
- Photographs/Video:**
  - I give permission for my child's image to be used in photographs within the center (bulletin boards, crafts, booklets...).
  - I give permission for my child's image to be shared on the classroom electronic updates and on the digital slideshow in the center's hallway.
  - I give permission for my child's image (no name or personal information) to be used on BCCC website and publications.
- Student Directory:** Each year BCCC puts together a student directory. The purpose is to help the children and families connect with other classmates. It will include child's name and photo, parent's name, address, phone number, and email. Please choose one of the three options listed:
  - I give permission to have my child included in the directory.
  - I only want my child's name included in the directory. Do not include personal information or a photo.
  - I do NOT want my child included in the directory.
- I give permission BCCC staff to:**
  - Apply sunscreen
  - Apply lotion, as needed
  - Hand sanitizer, when water is not readily available (ex. at a park)

BCCC Allergy Policy - Acknowledgment

The Bethlehem Child Care Center [BCCC] has some unique characteristics. For example, every child in the preschool program and pre-kindergarten program brings his or her own lunch. Further, the BCCC incorporates field trips in the curriculum as well as trips to neighboring parks in summer and winter. Further, the use of the entire BCCC facility (including an indoor play area) is also used by church members and invitees to the Church, including other children. Because of these unique characteristics, BCCC cannot ensure that a child with a severe food allergy will not be exposed to the food or substance to which that child is allergic or sensitive.

Parents or guardians of children with a severe food allergy or sensitivity must make childcare staff and the Director aware of their child's food allergies and/or intolerance. Further, every child who has been prescribed an epinephrine auto-injector must have the epi-pen(s), in its original container and current prescription information on the label, given to the staff and kept at the center. Expired medicine, including epi-pens, may not be administered. If a child who has been prescribed an epinephrine auto-injector plans to go on a field trip, the staff will always take the epi-pen(s) along, so it will be readily available in the event of an emergency away from the BCCC.

---

I, \_\_\_\_\_, have read the attached Bethlehem Child Care Center Allergy Policy. I am signing this acknowledgment because I understand that BCCC cannot ensure that my child, \_\_\_\_\_, who has a severe allergy to \_\_\_\_\_ will not be exposed to the above-stated in the childcare center, or at any time while my child is in the care and custody of BCCC.

Place an X in the box to indicate a medical or non-medical exemption. If there are exemptions to more than one vaccine, mark each vaccine with an X.

I am the parent or guardian and this child had chickenpox on or before September 1, 2010.

Signature: \_\_\_\_\_ Date: \_\_\_\_\_  
(of health care practitioner\*, representative of a public clinic, or parent/guardian). Parent can sign if chickenpox occurred before September 2010.

\*Health care practitioner is defined as a licensed physician, nurse practitioner, or physician assistant.

**3. Consent to share immunization information:** This school is asking for permission to share your child's immunization record with Minnesota's immunization information system. Giving your permission will:

- Provide easier access for you and your school to check immunization records, such as at school entry each year.
- Support your school in helping to protect students by knowing who may be vulnerable to disease based on their immunization record. This can be important during a disease outbreak.

Under Minnesota law, all the information you provide is private and can only be released to those authorized to receive it. Signing this section of the form is optional. If you choose not to sign, it will not affect the health or educational services your child receives.

I agree to allow my child's school to share my child's immunization documentation with Minnesota's immunization information system:
