Dear Preschool Families,

We are excited that you are interested in BCCC for your child's preschool. Below you will find information listing what forms you need to enroll. Enrollment begins on Monday, February 2,2026 for currently enrolled families, previously enrolled families, and church members. On President's Day – February 16, 2026 - we will open enrollment for new families.

If you are registering a child that is **currently enrolled** you will only need to submit three forms, "Application for Enrollment", "Preschool Contract", & "Authorization Form" along with a $100 reservation fee. If your child has updated any immunizations throughout the past year, please submit a new immunization form or the record from your clinic.

If your **child has not attended** BCCC previously, include the $100 reservation fee plus a $60 registration fee- fee can be in one check- along with a completed enrollment packet. Packets must be complete at the time of registration, including the Health Care Summary and Immunizations. Incomplete packets will not hold a spot for your child.

Explanation of Fees:
Registration Fee is a $60 non-refundable fee for new children.
Reservation Fee is a $100 fee per child, with a maximum of $200 per family. This reservation fee will be credited to October's tuition if there is no termination or change of any requested care, per confirmed contract, between June 1 and October 1. If termination or change occurs between June 1 and October 1 this reservation fee will be retained by BCCC.

Here is a complete list of forms to include when you submit your paperwork:

- ☐ Application for Enrollment
- ☐ Preschool Contract
- ☐ BCCC New Child Information
- ☐ Health Information, filled out by parents/guardians
- ☐ Authorization Form
- ☐ BCCC Allergy Policy-Acknowledgement
- ☐ Health Care Summary filled out by your Health Care Source or the form the clinic uses. Some of the MyCharts type of forms do not include the information needed, compare it to our form before submitting. *Submit the latest form, even if your child will be going to the doctor soon, then turn in the updated form once the child's visit is complete.
- ☐ Immunization Record, our form or a form generated by your clinic
- ☐ If your child has an IEP, allergies, or other special needs, please notify the office. You and your child's doctor will have additional forms to submit.

We will enroll children based on these criteria:

1. The order in which we receive completed paperwork: currently enrolled families, previously enrolled families, new families
2. Priority will be given to children who are attending 5 & 4 days a week before those attending 3 days a week.
3. We are only offering full days. You are welcome to pick your child up at any point in the day.

BCCC has a scholarship program to provide financial assistance to those who might not otherwise be able to afford the full cost of quality childcare. Assistance is granted in the form of partial tuition scholarships, contingent upon the availability of funds. Funds are designated in May - please notify Jill if you want an application.

Note: Our billing cycle is billed in 4-week cycles. Tuition and fees are due before care is provided. We require 1 month's written notice if you decide to terminate service or change a child's schedule – tuition for that time remains the parent/guardian's responsibility. Additional days may be added, depending upon availability.

I agree to pay Bethlehem Child Care Center the agreed fees for the services rendered on or before the due date as set forth on this form, by the parent handbook and/or monthly tuition statements.

BCCC Allergy Policy - Acknowledgment

The Bethlehem Child Care Center [BCCC] has some unique characteristics. For example, every child in the preschool program and pre-kindergarten program brings his or her own lunch. Further, the BCCC incorporates field trips in the curriculum as well as trips to neighboring parks in summer and winter. Further, the use of the entire BCCC facility (including an indoor play area) is also used by church members and invitees to the Church, including other children. Because of these unique characteristics, BCCC cannot ensure that a child with a severe food allergy will not be exposed to the food or substance to which that child is allergic or sensitive.

Parents or guardians of children with a severe food allergy or sensitivity must make childcare staff and the Director aware of their child's food allergies and/or intolerance. Further, every child who has been prescribed an epinephrine auto-injector must have the epi-pen(s), in its original container and current prescription information on the label, given to the staff and kept at the center. Expired medicine, including epi-pens, may not be administered. If a child who has been prescribed an epinephrine auto-injector plans to go on a field trip, the staff will always take the epi-pen(s) along, so it will be readily available in the event of an emergency away from the BCCC.

I, _____, have read the attached Bethlehem Child Care Center Allergy Policy. I am signing this acknowledgment because I understand that BCCC cannot ensure that my child, _____, who has a severe allergy to _____ will not be exposed to the above-stated in the childcare center, or at any time while my child is in the care and custody of BCCC.

Recommended but not required for child care or early childhood programs

Influenza (flu), COVID-19, respiratory syncytial virus (RSV), rotavirus and other vaccines are recommended for children to ensure they are fully protected. Talk to your health care provider about when your child should receive these immunizations. For more information visit CDC: Vaccine Schedules For You and Your Family (www.cdc.gov/vaccines/imz-schedules/index.html).

Tips for parents and guardians

- Make sure your child has received all of the required immunizations before their first day of child care/early childhood program or submit an exemption.
- Submit a copy of your child's immunization record to their child care, early childhood program, or school. You can get a copy of their record from the clinic or find their record on Find My Immunization Record (www.health.state.mn.us/people/immunize/miic/records.html).
- Please complete the reverse side if your child requires an exemption for medical reasons or if you are opting for a non-medical exemption due to personal beliefs.
